All,

2:30 today works for me. If you would prefer to include me directly, I'm available at [REDACTED] If you would like me to call in, please provide a call-in number and conference code.

Either way works for me.

Hi John,

This is nice of the company to offer, but I don't want to schedule a meeting with the company and the State to discuss a settlement we can read. This is a waste of our time.

I just spoke to Ken and I understand that we will be having a meeting this afternoon around 2:30 P.M. because Dave is available then. We have an all hands Water Division meeting that will hopefully end at 2:30 P.M., but it could run a few minutes over. So 2:30 P.M. should more or less work for me.

Thank you,
 Jenny

John,

For your information, the State of Wisconsin signed a settlement stipulation with Madison-Kipp Corporation last week to resolve our long-standing litigation. Today we learned that the Court signed the Order for Judgment yesterday approving the settlement. A copy of the stipulation and court order are attached for your files.
